VIVA FIBRE TO THE BUSINESS | GENERAL TERMS AND CONDITIONS

GENERAL

1. Viva Fibre is an optical fiber service offering data, voice and content to consumer customers.
2. Viva determines the most suitable technologies to provision data, voice and content services over the fiber network to meet its commercial requirements.
3. The Viva Fibre terms and conditions as detailed herein are subject to change from time to time.
4. Any change to the Viva Fibre terms and conditions will be communicated to the customer upon 30 days written notice or such other reasonable notice period as the circumstances require.
5. The Viva Fibre terms and conditions are available at www.vivatelecoms.co.za/fibre.
6. The detailed Viva Fibre data and voice offering is available at www.vivatelecoms.co.za/fibre.
7. The Viva Fibre service is subject to:
 - 7.1 Viva's Standard contract terms and conditions.
 - 7.2 Viva's Fair Usage Policy
 - 7.3 Additional service or device specific terms and conditions mentioned below.
8. Where there is any conflict between any other terms and conditions mentioned and the Viva Fibre specific terms and conditions, the last mentioned shall prevail.

PROVISION OF SERVICES

9. The Viva Fibre service will only be available in selected urban areas where fiber is available.
10. The provision of the Viva Fibre service is subject to credit vetting and the successful conclusion of a Viva Fibre service contract.
11. The Viva Fibre service is only available on a 24month service contract.
12. Viva does not warrant an uninterrupted Viva Fibre service and does not offer quality of service, uptime and throughput guarantees.
13. Viva endeavor to maintain the fiber and the Viva Fibre service to the best of its ability.
14. A customer may not resell the Viva Fibre service or use the Viva Fibre service for any commercial activities where the service is on sold to other users.
15. Viva will terminate any customer's Viva Fibre service if it is found that the customer is reselling the service or using the Viva Fibre service for commercial activities.

COMMENCEMENT AND DURATION

16. The Viva Fibre service contract start date will be the customer account activation date.
17. The Viva Fibre service contract shall remain in force for the initial period as defined by the contract period (i.e. 24 months) where after it shall continue on a month to month basis.
18. The customer can renew or cancel the contract after the initial Viva Fibre service contract period.
19. Any Viva Fibre service migration, due to discontinuation of a Viva Fibre service offer and options available to customers, will be communicated to the customer prior to the end of the Viva Fibre service contract initial period.
20. Any Viva Fibre service contract that includes free or discounted customer equipment can only be renewed or cancelled after the initial period without any penalty.
21. When a Viva Fibre service contract is terminated before the initial period, an early cancellation penalty will apply, equivalent to all of the remaining subscriptions due for the initial period.

SERVICE OFFERING AND PRICING

22. Viva reserve the right to adjust and amend the service offering and pricing from time to time without prior notice.
23. A customer has the option to purchase the following services:
 - 23.1 Viva Fibre Broadband offering data connectivity and internet access.
 - 23.2 Viva Fibre Fixed Voice offering voice calls.
 - 23.3 Optional services such as additional data and voice recording and devices such as Uninterrupted Power Supply (UPS).

INSTALLATIONS

24. Viva will appoint an approved installer to install the Viva Fibre service at the customer's premises.
25. The approved installer will require reasonable access to the customer's premises.
26. The approved installer will install the Fibre service in accordance with the detailed installation guidelines for a standard installation as per Layer 2 SP Installation Schedule.
27. If the Viva Fibre service installation exceeds the standard installation specifications, then any additional installation expenses will be for the customer's account.
28. Any additional installation expenses will be settled directly with the approved installer.
29. If the customer does not wish to proceed with the installation due to additional installation expenses, the installation and service contract will be cancelled.
30. The installation will be deemed fully operational if the approved installer successfully tests the Viva Fibre service with the CPE provided by Viva as part of the service contract.
31. The approved installer will not test the installation's operational status with any other CPE than the CPE provided by Viva.
32. The customer undertakes to maintain the installation, including all equipment provided, in good order including environmental considerations as detailed in the Viva Fibre Service Schedule.
33. The customer may not move or alter the Viva Fibre service installation and must notify Viva if there is a need to move or alter the installation.
34. Only a Viva approved installer may move or alter a Viva Fibre service installation.

CUSTOMER EQUIPMENT

35. The following equipment related to the Viva Fibre service will be installed at the customer's premises:
 - 35.1 An optical network terminal (ONT) that forms part of the Viva fiber Service.
 - 35.2 A Customer Premises Equipment (CPE) with WiFi capability, more commonly known as a router.
36. An optional telephonic device if voice services are included in the Viva Fibre services.
 - 36.1 An optional UPS.
 - 36.2 The ONT at all times remains the property of Viva.
37. The CPE will form part of the Viva Fibre service contract.
38. The Viva Fibre service charge will not be discounted if the customer elects to use their own CPE device.

39. After the Viva Fibre service contract initial period, the CPE and any other customer equipment (Excluding the ONT) becomes the property of the customer.
40. A 12 month warranty will apply to all customer equipment provided.
41. If customer equipment is swapped out by an approved installer as part of fault management, the warranty of the replacement customer equipment will be valid for the balance of the Viva Fibre services contract period.
42. The customer gives Viva permission to configure the router for additional SSID's to enable supplementary services.
43. Any use of a customer's router for additional SSID's will be at no charge to the customer and will not impact the customer service.
44. Should the CPE equipment be damaged by lightning or power surge, it is the customer responsibility and replacement equipment is for the charge of the customer.

SERVICE INTERRUPTIONS

45. Viva will endeavor to limit service interruption occurrences to the Viva Fibre service and the length thereof.
46. In the case of a service interruption in the Viva Fibre service, Viva will deploy technical teams to address any network faults.
47. If a customer detects a service interruption in the Viva Fibre service, the customer has to notify Viva customer care of the interruption.
48. If the service interruption in the Viva Fibre service is traced to a customer's Viva Fibre installation or customer equipment, then Viva will endeavor to rectify the fault remotely, failing which a service team will be dispatched to the customer's premises to address the fault.
49. If in the event of a service interruption in the Viva Fibre service a service team is dispatched to the customer's premises and it is found that the service interruption is attributable to the customer's actions, then Viva will charge the customer the applicable rates for dispatching the service team to rectify the service interruption.

LIABILITY

50. Viva accepts no liability for any loss or damage to the property or equipment of the customer arising out of the provision, installation or maintenance of Viva's Fibre service including the customer's use of the customer equipment.
51. Viva accepts no liability for any loss or damage arising out of the use of the Viva Fibre service, including loss or damage due to using the Internet and / or transferring files and content.

FAIR USAGE POLICY

52. Viva reserves the right to use a Fair Usage Policy (FUP) to manage its' networks in order to maintain acceptable levels of customer experience.
53. The Viva Fibre services are subject to a FUP.
54. The Viva Fibre FUP is subject to change from time to time, the detailed FUP (Fair Use Policy) is available at www.vivatelecoms.co.za/fiber.

NON PAYMENT

55. Viva Fibre services will be suspended in the event of non-payment.
56. A reconnection fee will be applied as per the credit management process.

TERMINATION & CANCELLATIONS

57. Cancellations within the contract period will carry a penalty equivalent to all the remaining contract tariffs due for the remainder of 24 month contract period.
58. Any penalties applicable to customer equipment due to termination or cancellation will be included in the last invoice.
59. Viva will inform customers 30 days in advance of the initial contract end period.

UPGRADES AND MIGRATIONS

60. The customer can migrate to any other Viva Fibre service offer on request.
61. No penalties will apply when upgrading or for an upward migration.
62. Downward migrations will attract a once-off fee.

RE-LOCATION SERVICES

63. If the customer wishes to move the location of the Viva Fibre service from one geographical location to another and wishes to retain Viva Fibre service (ie: Physical address change) the following will apply:
 - 63.1 A relocation fee will be charged.
 - 63.2 Moves will be allowed subject to a feasibility study on whether a Viva Fibre service can be provisioned at the new location.
 - 63.3 Any additional costs relating to the provisioning of the Viva Fibre service at a new location will be charged to the customer with prior approval.
 - 63.4 If the service cannot be provisioned at the other geographical location, the Viva Fibre contract will be cancelled at no cost to the customer.
 - 63.5 If the Viva Fibre service contract is cancelled due to Viva not being able to provide a service at a new location, then the customer will be liable for any outstanding fees applicable to the customer equipment.

FIXED VOICE

64. The Viva Fibre Fixed Voice service is not dependent on a Viva Fibre Broadband installation.
65. The customer will receive a Viva Fibre Fixed Voice non-geographic telephone number.
66. The customer can port a geographical telephone number to the Viva Fibre Fixed Voice service.
67. All national on-net (Viva Fibre to Viva Fibre and Viva Fibre to Viva Telecoms) and off-net (Viva Fibre to any other operators) calls will be deducted from the Viva Fibre Fixed Voice price plan allocations or at the default out-of-bundle rates if the price plan allocation is depleted.
68. All international calls will be charged at the current Viva international calling rates.
